GRADUATE EMPLOYMENT REPORT

Durham College (DC) is proud of its 50-year history of inspiring learners to create success for themselves and their communities through the best in innovative and transformative education.

With more than 140 full-time post-secondary, nine apprenticeship and two unique degree programs developed and continually shaped by labour market needs, DC is leading the way to ensure students gain the skills and knowledge they need to succeed in today’s competitive workforce.

In this Graduate Employment Report, you will learn more about the success of our grads, with 86 per cent finding employment within six months of graduation.

- D** Ontario College Diploma
- C** Ontario College Certificate
- AD** Ontario College Advanced Diploma
- GC** Ontario College Graduate Certificate

Note: According to Ontario government protocol, the KPI graduate employment survey is conducted six months after students graduate.

¹ Percentages in the working related and working columns have been rounded.

² The college totals reflect more than the sum of the programs indicated due to FIPPA. Information is not published for programs where the number of graduates is less than five.
